

Dear Parents:

We are so excited to be partnering with you in your child(rens') education. One of the tools available to you is ParentsWeb, through RenWeb School Management, which gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the internet. This tool provides you information regarding your child's class, such as Newsletters, Announcements, Resources, and Grades. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use RenWeb ParentsWeb:

- Make sure that the school has your email address in RenWeb.
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click Login, the ParentsWeb Login.
- Type the school's District Code **VM-CA**.
- If you already have a ParentsWeb account, enter your Username and Password, if not click Create New ParentsWeb Account.
- Type your email address and click Create Account. An email will be sent to your email address on file which includes a link to create your ParentsWeb login. The link is active for 6 hours.

Once you have a ParentsWeb account, we would like the process of finding information to be as simple as possible for you, so below you will find directions for using your desktop to navigate ParentsWeb and your childrens' information stored there.

- Log in to www.renweb.com
- On the upper grey bar, right side, click **Logins**, select **ParentsWeb Login**
- Enter the District Code which is: **VM-CA**

Enter your User Name and Password (please note, each custodial parent with an email address in ParentsWeb can have their own Username and Password by clicking: [Create New ParentsWeb Account](#)

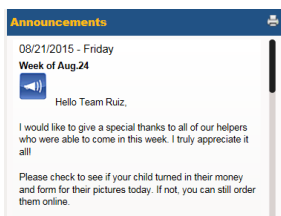

- If you've forgotten your User Name and Password, you can click [Forgot User Name/Password?](#) and you can reset both
- To find Announcements and Newsletters, under the School Information tab, click **Classes**

- If your child is in Middle School, select their Bible class (this is their Homeroom) – for a 6th grader it will look like this: **06 Bib-B** (or A depending on which class your child is in); if your child is in Elementary School, select the Homeroom link, - an example of what it will look like is this: **02 HR-A** (again this will vary based on which class your child is in)
- Once you have clicked one of the above links, another page will open up and your child(rens) name will appear in the bar under **Class Sites**; you can toggle back and forth between the students listed

- In the middle of the page you will find a header that says **Announcements**, this is where teachers will sometimes provide announcements regarding their class or upcoming school events.

- In the upper third of the screen you will see:

- Click **Resources**. This is where you will find teacher newsletters, spelling lists, Bible Memory verses, etc. Click the file you would like to view and a pdf file will open for you. You can print this out if you wish from this area.
- Should there ever be a time you need to update Emergency Contacts, Authorization to Pick Up, etc. simply click on the **Web Forms** on the School Information tab:

- Click **Family Demographic Form**.
- Another page will open and you will see the following:

You can then click on any of the tabs shown to make changes. The school is notified of the changes you make regarding Custodial Parent information, Emergency Contacts, and Authorization to Pick-Up. We then provide the information to your child's teacher.

- To adjust what is shown in the Directory scroll down to **Parent Preferences** and adjust your settings in the **Directory** area as you would like them to be seen. Make sure to hit **Save**.

We hope this reference page helps you in navigating ParentsWeb. If at any time you have any difficulty finding what you are looking for, please contact Donna Barradas at 805.644.9515 ext. 562 or by email dbarradas@vmc.net.

- In the middle of the page you will find a header that says **Announcements**, this is where teachers will sometimes provide announcements regarding their class or upcoming school events.

- In the upper third of the screen you will see:

- Click **Resources**. This is where you will find teacher newsletters, spelling lists, Bible Memory verses, etc. Click the file you would like to view and a pdf file will open for you. You can print this out if you wish from this area.
- Should there ever be a time you need to update Emergency Contacts, Authorization to Pick Up, etc. simply click on the **Web Forms** on the School Information tab:

- Click **Family Demographic Form**.
- Another page will open and you will see the following:

You can then click on any of the tabs shown to make changes. The school is notified of the changes you make regarding Custodial Parent information, Emergency Contacts, and Authorization to Pick-Up. We then provide the information to your child's teacher.

- To adjust what is shown in the Directory scroll down to **Parent Preferences** and adjust your settings in the **Directory** area as you would like them to be seen. Make sure to hit **Save**.

We hope this reference page helps you in navigating ParentsWeb. If at any time you have any difficulty finding what you are looking for, please contact Donna Barradas at 805.644.9515 ext. 562 or by email dbarradas@vmc.net.

Dear Parents:

We are so excited to be partnering with you in your child(rens') education. One of the tools available to you is ParentsWeb, through RenWeb School Management, which gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the internet. This tool provides you information regarding your child's class, such as Newsletters, Announcements, Resources, and Grades. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use RenWeb ParentsWeb:

- Make sure that the school has your email address in RenWeb.
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click Login, the ParentsWeb Login.
- Type the school's District Code **VM-CA**.
- If you already have a ParentsWeb account, enter your Username and Password, if not click Create New ParentsWeb Account.
- Type your email address and click Create Account. An email will be sent to your email address on file which includes a link to create your ParentsWeb login. The link is active for 6 hours.

Once you have a ParentsWeb account, we would like the process of finding information to be as simple as possible for you, so below you will find directions for using your desktop to navigate ParentsWeb and your childrens' information stored there.

- Log in to www.renweb.com
- On the upper grey bar, right side, click **Logins**, select **ParentsWeb Login**
- Enter the District Code which is: **VM-CA**

Enter your User Name and Password (please note, each custodial parent with an email address in ParentsWeb can have their own Username and Password by clicking: [Create New ParentsWeb Account](#)

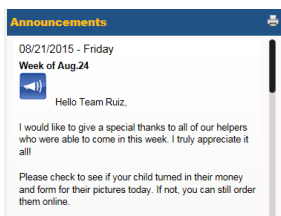

- If you've forgotten your User Name and Password, you can click [Forgot User Name/Password?](#) and you can reset both
- To find Announcements and Newsletters, under the School Information tab, click **Classes**

- If your child is in Middle School, select their Bible class (this is their Homeroom) – for a 6th grader it will look like this: **06 Bib-B** (or A depending on which class your child is in); if your child is in Elementary School, select the Homeroom link, - an example of what it will look like is this: **02 HR-A** (again this will vary based on which class your child is in)
- Once you have clicked one of the above links, another page will open up and your child(rens) name will appear in the bar under **Class Sites**; you can toggle back and forth between the students listed

- In the middle of the page you will find a header that says **Announcements**, this is where teachers will sometimes provide announcements regarding their class or upcoming school events.

- In the upper third of the screen you will see:
