A word about "Zuca" backpacks

On a typical day a 2nd grader will only transport to and from home: Agenda (not in a binder), a pocket folder, possibly a library book, and a lunchbox. "Zucas" can be cumbersome, especially going up and down stairs. They will remain outside of the classroom during the school day. If your family decides to use one that is fine, but just know that most of what 2nd graders carry will be relatively light, and a traditional backpack will definitely suffice. Thanks!
