## Schedule & Google Meet Reminders:

- **Behavior in Google Meets:**
  - Attire should be school Dress Code appropriate.
  - Keep comments on target with the class conversation, both verbally and in the chat.
  - Be present and focused! Be respectful of your classmates' right to learn.
  - Students that do not follow behavior guidelines could receive a call or email to their parents and/or discipline marks for behavior that will affect their Citizenship grades.
- All Mandatory Google Meets will occur during the regularly scheduled class periods (as printed on the schedules received during curriculum pick up days).
  - Students that miss Mandatory Google Meets are expected to make up class participation points in an alternative assignment.
- It is normal and to be expected that students could have up to three Mandatory Google Meets on any given day.
- While attendance in Optional Google Meets is not required, students *should* be taking advantage of this time to connect with their teacher. These Meets are purposefully scheduled during regular class times for students to work on assignments, ask questions, and collaborate with their classmates.
